Dear Fellow Extraordinary Eucharistic Minister,

Again this year, in consideration of the cold and flu season, Precious Blood will not be served from the first weekend in November through the last Sunday in April. Attached is a schedule which covers that entire period of time (November 5 through April 29).

I have included a Ministry Listing to assist you in finding a substitute in the event that you cannot serve at a Mass for which you are scheduled.

Only one Extraordinary Eucharistic Minister is scheduled for each Mass. As a reminder, if there are three priests and a deacon at a Mass for which you are scheduled, then your service will not be required at that Mass.

I'm pleased to tell you that Tony Martelli has moved back to our parish and will serve at the 5:30 Mass.

Blessings,

Marcia A. Pullar
